Title: Findings

Author: Semper Fi

Stell the farmer:

"Well! Thank ye
stranger! That'll help
smooth things over for
sure! I suppose that
answers your question,
eh? We fare well, but
only just. Life is hard
when the crops don't
come"

Hamlyn the Miner:

"Ah, so much better!
So? Well, ye can report
back to those fancy
nobles that the wealth of
Mount Kendall seems
unending. Unlike the
health of those who
work to free her ritches."

Moll The Ranger: "Yes,
'tis our charge to guard
the woodland realms of
Britannia. And we do it
gladly. But, hm, for your
report I'd say we
Rangers remain faithful,
but perhaps a little
recognition by the Crown
would be welcome."

Wilson the Shipwreck
Survivor: "His waters be
teemin' with Pirates
these days!"

Elyes the Mage: "I
apologise if I offended
ye...But these constant
inspections under the
guise of 'fact-finding'
makes one think we
aren't trusted..Put that
in
your report." *Smiles at
you*
